Capabilities Statement

Greenbrier Government Solutions is a solutions provider and systems integrator with a team of experienced professionals who are passionate about technology and dedicated to providing the latest solutions to our federal government customers.

About Greenbrier

As an SBA 8(a), HUBZone, and VetCert verified Service-Disabled Veteran-Owned Small Business (SDVOSB), we understand the unique challenges faced by our customers and are committed to delivering high-quality, personalized service to meet their needs.

We constantly strive to be a company that delivers an outstanding work product without requiring a lot of maintenance from our government clients. Our ultimate goal is to surpass your expectations and make your job easier, not more difficult.

Core Competencies

Greenbrier Government Solutions helps federal customers meet their technology objectives by providing integrated solutions and services to meet their short and long term IT requirements related to the following:

Contract Vehicles

- NASA SEWP V: Group A & D
- GSA MAS: SIN 54151S, 54151HEAL, 54151HACS, 33411, 811212
- VISN5 Cabling BPA

Codes & Certifications

Quality management is paramount for Greenbrier as is evidenced by our ISO 9001:2015, ISO 20000-1: 2018, ISO 270001, ISO 20243:2018, and CMMI Level 3 (Services) certifications.

- UEIN: KVMTJANNET58
- CAGE CODE: 7HST2

Your success is our mission at Greenbrier Government Solutions. We specialize in modernizing and customizing complex networks, deploying unified communications solutions, and providing expertise in full-stack data center solutions for federal agencies.
